October 8, 2008
7:00 PM

Attending: Chairman Jon Tufts, Tammy Jo Girard, Jim Gendron Dustin Holden, Fred Fay, Frank Allen, Don Drew and Committee Secretary Nancy Roberge. Not in attendance: David Woodsome, Ron Perro

Meeting called to order at 7:10 PM.

Minutes from the October 1, 2008 meeting approved by a motion from Jon and 2nd by Dustin and approved 4-0.

Tammy Jo announced that the committee now has an office that we are sharing with EMA.

Fred will be checking out the mileage on Killock Drive, Fir Road, Aspen Way and Harrison Drive.

GPS: Tammy Jo leant Dustin one of her personal GPS's. If Dustin sees culverts, he will mark the GPS coordinates and also the coordinates on road repair issues.

Tammy Jo reported that Town Planner, Tom Urisa is taking the GIS training

Traffic Counter: The one that the town owns is too old and it would cost too much money just to buy batteries and software.

Since our last meeting on 10/1/08 a total of 38 roads have been inventoried

There was a suggestion of the possibility of changing the road standards in the future. The town is following road standards established in the 198C's. Developments today are not abiding by those road standards.

Next meeting October 15, 2008 at 7:00 PM

Meeting adjourned at 8:15 by a motion by Frank and 2nd by Jim and approved 4-0.

Respectfully submitted,
Nancy Roberge
