

Waterboro Cemetery Committee
July 2014 Meeting Minutes
Present: Angela McCoy and Russ Jensen
Meeting started at 7 PM

1. Discussed Leaning and Cleaning workshop; Russ suggested the cemetery behind the town hall, Angela took photos of the leaning stones and will contact MOCA for more information.
2. Russ has been working in the Hamilton/Ricker cemetery. He would like it if a group of people could get together for one day and go in to help clean it out and repair the stones. Angela will contact Donna and see if there is a day she would prefer and then will try to get a group together.
3. Foglio removed the fallen tree from the Roberts/Wakefield cemetery on Town House Rd.
4. A weed wacker was purchased from Abbott's, but it was after July 1, so will be on this year's budget.
5. Potential "new" cemetery discussed last year ended up being Asa Smith cemetery, so still 123 cemeteries in town.
6. The MOCA restoration workshop for August is no longer listed on their website. Angela is attending their Summer Program meeting on Saturday, so will ask for more information.

Meeting was adjourned at 7:25 PM.

The next meeting will be held on Monday, August 11 at 7PM.
