Public hearing on proposed Building Code changes.

Meeting held at Waterboro Town House.

Meeting called to order by Chairman Wade Junkins at 7:55 pm.

Mr. Robert Cyr, attorney, present for legal advise and interpretation of proposed changes.

The attendance was very poor. Only 2 registered voters besides the chairman and acting sect.

Upon questioning Mr. Cyr, as to the legality of the Building Code, he made these comments;

#1/ That Section 5 and Section 6 were without doubt Zoning laws.

#2/ That unless records are available of public hearings on previous changes, and, even though the Court at Alfred would probavly rule in favor of the Town in a legal contest by an alleged violator, the high court would favor the violator.

Wording must be made in Change #2 and #4. Mr. Wade Junkins will take care of this and submit all proposed changes to the selectmen within a week for inclusion into the Annual Town report.

Meeting adjourned at 8:30 pm.

Acting Secretary
