

Public Safety Meeting
1/20/2022

Members present: Craig Abbott, Chairman, Nadine Malloy, Nicole Rocray-Lachance and Nancy Roberge, Committee Secretary and Committee member. Members not present: Ryan Finch.

Meeting called to order at 5:15 PM.

Motion by Craig 2nd by Nadine to approve the December 16, 2021 meeting minutes approved 3-0.

The Committee will continue to be discussing the following items:

- Mission Statement
- Signage
- Ossipee Lake
- Speed Limits – Route 5
- Municipal Stickers – parking, admittance, etc.
- Fines
- Authorization to issue tickets
- Disputing tickets – what to do
- Public Announcement – regarding vacancies on the Committee (due to lack of attendance of members)
- Barriers/guardrails

Nadine brought up an issue that she has been observing at Friendship Park: She has been observing trucks tearing up the parking lot and it appears to be happening every Sunday afternoon. Last Sunday 1/16/22 it was a black truck with Massachusetts license plate and the Sunday prior it was a white truck.

Nancy brought to the attention of the Committee that if someone really wants to join the Public Safety Committee I will resign as a Committee member but still remain as the Committee Secretary. The reason I had joined the Committee initially was there were never enough members to conduct a meeting.

Motion made by Craig and 2nd Nicole to adjourn at 6:00 PM.

The next meeting will **be February 17, 2022 @ 5:00 PM.**

Respectfully submitted
Nancy Roberge,
Committee Secretary & Committee member
