

**Road Review Committee
Meeting
June 18, 2014**

Members present: Chairman Roger Macomber, Charlie Drapeau, James Gendron and Nancy Roberge, Committee Secretary and Vice Chairman. Also present: Doug Foglio.

Meeting called to order at 6:05 PM.

Motion to approve the minutes from the May 14, 2014 by Charlie 2nd by Nancy and approved 3-0.

Motion by Nancy to elect Charlie as Chairman 2nd by Roger and approved 4-0. Motion by Charlie to elect Nancy as Co-Chairman 2nd by Roger and approved 4-0.

Roger put out the road counters at the Transfer Station during the free dump day on June 8th 2014.

The Committee went over the changes/suggestions on the Proposed Driveway Ordinance – motion by Charlie to accept revision #2 (as written) of the proposed driveway ordinance 2nd by Nancy and approved 4-0.

Doug provided the committee with the subdivision plan of Little Ossipee Estates (approved in 1975) located on Eon Way.

Doug reported:

Ditching and road work started on Eon Way on June 13, 2014. Catch basins were installed at 10 Eon Way and across the road and a new plastic drainage pipe was installed to go across the road (the old galvanized culvert was removed as it was not in good shape and it was plugged at both ends).

New Dam Road was ground and base pavement was finished on June 17th (approx. 1¾ miles – from Chadbourne Ridge Road to the S curves). Work was completed by Dayton Sand and Gravel.

Doug was going to the planning board meeting tonight due to there was an application to enlarge the campground and they want to use McLucas Road as the primary entrance to the campground. Doug does not feel it is safe to have campers use the McLucas Road as the primary entrance for many reasons.

Motion by Charlie 2nd by Nancy to adjourn at 7:05 PM approved 4-0.

The July meeting has been changed to July 16, 2014 at 6:00 PM.

Respectfully submitted;

Nancy Roberge,
Committee Secretary & Co-Chairman
