

SELECTMEN'S MEETING MINUTES

April 30, 1990

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chm. Robert C. Fay, Dennis G. Abbott, John C. Monteith.

REPORT OF STANDING COMMITTEES:

DWAYNE MORIN: The Board signed the contract for Nor-East Trick Stars for Old Home Days. The state is unable to get a clear title on the property that they bought on the Ossipee River and will be going through the eminent domain process and the Town has to sign off any rights it may have. The Board signed the order for eminent domain. Also discussed the rider for the insurance for the library when they have exhibits on display. Board voted to add the rider to the insurance. The Board reviewed and approved the letter that Karen Lovell wrote concerning the Town selling the Lake Arrowhead lots. Dwayne also reported to the Board that Charlie Brown from Sebago Technics met with him and the lines at the Lions Field are off on two sides. Estimates at finishing the survey at \$200.00 and \$400.00 to set the monuments.

C & K APARTMENTS: Dwayne reported to the Board that the Planning Board voted to assess the fine ad discussed, \$1,000. A letter was sent out today. Sel. Abbott suggests having a meeting with them after June 1st. Chm. Fay has concerns about going against the Planning Board vote. The work needs to get done. The Board agrees to wait to meet after June 1st, and if the work is done at that time, then will negotiate the fine.

NEW BUSINESS:

IDA MALLORY: Ida runs the Pine Tree Animal Shelter and the Board asked her in to discuss what to do with the dogs that the animal control officers are bringing to her shelter. She told the Board that she can give distemper shots but she can't give rabies shots. She does have concerns over if a dog is brought in on Friday and with the Town Offices closed on Saturdays, people will not pay the extra for the two days. Sel. Abbott suggested the dog officer getting the name and address and when the people pick up their dog at the shelter they have one week to get them licensed. Ida agrees with that suggestion and she will give the people a paper saying they have only one week to get the animal licensed. She will also let the Town know when someone adopts an animal. Ida told the Board that she is willing to send a postcard to the Town when someone picks up a dog and have the breed, name, address, & telephone number on the card so the dog officer can check up on them. Ida also suggested to the Board about paying per capita, she is not sure of what it would cost but she will figure it up and get back to the Board as soon as possible. The new Dog Ordinance that was drafted by Karen Lovell will have to go before the Townspeople for approval. According to the laws, violators will have to go to district court.

CLARKS BRIDGE ROAD: Doug Foglio, Sr. and Doug Foglio, Jr. was in to sign the contract for Foglio, Inc. to do the work on the Clarks Bridge Road as per the bid.

STEVE EVERETT: The Board suggest holding off putting on the June warrant to purchase Clayton Hurlburts property on Ossipee Mountain. Steve told the Board that he will send Mr. Hurlburt a letter telling him that the Town is going to hold off for right now purchasing his property. The Board voted and approved Steve to get a plan drawn up and recorded concerning Evelyn Thompsons property that she is willing to gift to the Town.

The Board signed the warrant for payment of bills and payroll

approved: Robert C Fay

Steve Everett
