Abbott asked what is going on with Waterboro Youth League and what about request for funds for June meeting. Was told that Waterboro Youth League in no longer existing. Babe Ruth and Legion baseball is under Waterboro Youth League. Chm. Abbott explained that money raised at Town Meeting was for Waterboro Youth League and Shaker Valley has never requested any funds. The Town of Waterboro would like to handle the paying bills as in the past, a purchase order was needed before the bill was paid and not a blanket check given to the league. Mike Pendergrass stated that the league has been working very hard to be within the Little League Rules and would like to see total defranchising from the Town.

Chm. Abbott has concerns over funding and the equipment is in possession of the Town of Waterboro would need Town Meeting approval to have the equipment turned over to the league. This year could enter into an agreement to inventory the equipment before and after it is returned. Wants to be sure that if the equipment is returned to the Town if the league dissolves.. Parks & Rec. would administer the lease and the fields. Craig Tilton told the Board that the League has asked for a meeting with the adult league to get things discussed and straightened out. Sel. Monteith stated that he has heard that Lyman hasn't any fields to play on and they will be using Waterboro's fields. The league stated that that rumor is wrong, Lyman does have their own fields to play on. The money that is received from registering will be retained by the league and not turned back into Parks & Rec. Little League rules and regulations do not allow registration money to be turned back into the Town. Little League needs to keep books and have a financial report done annually. A four page financial statement was submitted to Parks & Rec. this evening. The league feels that they will enter into a loan agreement this year and wait to go before Town Meeting. Sel. Monteith stated that he didn't want to the registration fees go so high that the kids couldn't afford to play. The league stated that there is a cap on how much registration fees have to be. Sel. Allen told them that they need to get information out to the people due to all the rumors that have been going around. Suggested having a story done in one of the newspapers. The league will be holding a parents meeting in the future. Mike Malinky stated that they would like to have Senior Little League which comes under little league. This would be the same as Babe Ruth. Dawn Tilton explained the bill that was sent to the Town. The charter was sent to Williamsburg last November and then a bill was sent to each Town with documentation to show how many kids were from each Town. In the past each Town would sent a check to Williamsburg. Chm. Abbott stated that yes, documentation is needed. Also discussed fund raising to have lights installed at Friendship Park ball field. The league is willing to help with fund raising for the lights. The concession stand that was built last year for Waterboro Youth League will now be run under Shaker Valley Little League. Dawn also suggests that if the Board receives complaints to have them contact her or have the people attend their meetings which are held on the third Sunday of each month.

Board signed the warrant for payment of bills and payroll.
