**REPORT OF STANDING COMMITTEES:**

**CABLE TV:** Richard Bateman, Town's representative on the cable TV committee was in to discuss several issues with the Board. One issue was a call he had received from Kathleen Connolly of Cluff Road in North Waterboro. She was denied cable TV service due to not sufficient residents on Cluff Road. Also Roland Nadeau on Camp Road at Lake Sherburne called and claims UVC denied service after promising for three years. He is within a short distance of another cable firm in Shapleigh who will serve him if he can obtain permission from UVC but UVC has denied permission. Chm. Abbott told Mr. Bateman to contact Roland Nadeau and have him come to a Selectmen's Meeting and discuss the cable service from Shapleigh coming into town. Mr. Bateman also requested permission from the Board to call Bob Carroll about attending his committee meetings of several towns serviced by UVC and then report back to the Board and to call Randy Hughes at UVC and request him to respond in writing to the Board several issues which are the plans and schedules for completing service to all Waterboro residents and his intention to abide by the contract and provide written responses with copy to Selectmen of all service complaints and also all rejections of service including any proposals for service involve the potential customer's payment of extra installation charges and/or inclusion with neighbors to obtain service. Chm. Abbott told Mr. Bateman that if he would like he can go and talk with Randy Hughes and Tony Vigue is the contact person on the committee.

Abbott explained the recycling program the town is involved in at present with RWS. Sel. Their facility will be located in Sanford in one of the old mills and the labor would be from the inmates. The inmates would work time off their jail term by two days working at the facility would mean a reduction of one day from their jail sentence. Board voted to hold a Special Town Meeting on Tuesday March 9, 1993 and to have it as a separate ordinance on not part of the Zoning Ordinance. Dwayne told the Board that Road Commissioner Fred Fay has requested if a Special Town Meeting is held he would like money transferred from Roads & Bridges to pay for a road sweeper. Chm. **SACO RIVER DANCE:** Connie Gobeil was in to discuss the rental of the town hall. She has only 5 girls participating and the rent per month is causing her to lose money and she would like to negotiate. They have already met approximately 8 times and the girls have invested money for shoes etc. and she would rather keep it going then to have to stop the classes. Chm. Abbott asked what she would like to see for a rent charge. She would like to see \$10.00 per week. She has not as of yet paid anything on rental of the hall.
