

Waterboro Cemetery Committee

June 10, 2013

Started: 7pm

Present: Donna Mayo, Kelly Mayo, Patty Searles, and Darren Walls

- 1: Half of the cemeteries are now done, documented, and on the website.
- 2: Darren and Patty bought the chain for the Sedgley Cemetery, will be putting up soon.
- 3: Shopping Spree!! We used our budget and bought a brand new battery operated weed wacker, with an extra battery. Also bought epoxy for repairing stones.
- 4: There's a need for a new sign on the Hill Fisk. Currently the sign says Hill Fiske, but there's no E in the names of the deceased in said cemetery.
- 5: We also started a list of Veterans with no stone, or a stone that is heavily damaged, as well as stones that are unreadable, so that we can get a new replacement stone for them from the Department of Veteran Affairs. We have also started making a list of non-veteran stones that are beyond repair, or are unreadable. We have contacted Autumn Green Funeral Home, and they will be helping us with temporary markers so that everyone will be remembered.

Meeting was adjourned at 7:36

Next meeting is set for July 8 at 7pm
