**New Business**

- Emma emailed asking for help to clean up a cemetery on her property on Federal street. The email was responded to and we are waiting for a reply from Emma. If she is still interested, we will try to schedule it for this fall and ask the Friends of the Waterboro Cemetery Committee to help us.
- Dorothy and Patty are still having trouble viewing the google sheet for cemetery conditions. Angela will try sending the link again, and also send it to their gmail accounts in case that is the problem.
- MOCA is doing a workshop in Gray. Angela and Dorothy plan to attend for a few hours on Sunday July 23. Dorothy wants to meet Deb Probert and ask about the Dowsing presentation, and Angela wants to talk to Joe Ferranini in hopes to schedule a weekend in 2024 or 2025 to repair the TownHouse Cemetery.
- Angela will text Jason regarding the locks being changed in the storage shed. She will try to get the committee's items back, and discuss another storage option.
