

Cemetery Committee Minutes
August 14, 2023
6:00 PM

Attendees: Angela, Dorothy, Patty

Review of Standing Items

- Budget/Inventory List- We got a small chainsaw and a weed wacker, no other needs at this time. We will make an inventory list and a sign out sheet for the storage shed.
- Update conditions spreadsheet- Everyone is able to access.

Old Business

- Discussed Deb Curry's list for MOCA record updates. Will wait for Jim to help fill in the blanks.
- Dorothy discussed her cemetery presentation scheduled in October for the Historical Society. Looking for interesting stories from town.
- We still need to install the Mercy Chase sign post. Will wait until the September meeting to follow up with MaryBeth.
- Update on Cemetery records preservation- no progress so far, we will follow up with Jeannie.
- Wall repair at Town House Cemetery- Alexander's Masonry, Roofing, and Restoration will be giving us a quote within two weeks.

New Business

- Rescheduled Johnson Cemetery Clean-Up to August 20 (Sunday) at 8 AM. Angela will contact the land owner (Jet). We canceled due to rain.
- A few people responded to our Adopt a Cemetery ad. We will try to find cemeteries that are easier to access for them.
- Angela and Dorothy went to the MOCA workshop in Gray and spoke with Joe Ferrannini. He agreed to do a weekend work session with us next summer at the Townhouse cemetery. Angela will talk to Julie and Jason about budgeting for it. Average is \$900 a day. We are thinking about 3-4 days.
- Jason gave us a key to the storage shed. Angela will stop by this week and see what we have in there and do a sign-out list. He said the weed wacker and leaf blower were being used for the town maintained cemeteries. Dorothy has a tool we can use to write "Property of Waterboro Cemetery Committee" on the other items we own.

Next meeting September 11, 2023 at 6 PM
