

**Road Review Committee  
Meeting**

**March 10, 2010  
at 6:00 PM**

Members present: James Gendron, Jon Tufts, Roger Macomber, James Drew, Ron Perro, Tom Ursia, Tammy Jo Girard and Committee Secretary Nancy Roberge

Workshop called to order at 6:00 PM.

Motion to approve February 3, 2010 minutes by Jon and 2<sup>nd</sup> by Jim and approved 4-0.

Tom addressed the committee regarding the sidewalk project. The town of Waterboro needs to submit the application under \$100,000.00 and match money, otherwise our application will not even be looked at. There was a suggestion of adding this project as an article at Town Meeting. The Committee needs to ask the Selectmen for money not to exceed \$1,000.00 to hire an engineer for 1 or 2 days to engineer the project.

Tom will call Dan Stewart from MDOT to ask him what engineering MDOT might be able to do.  
Questions

It was reported that portions of Benette Hill Road & Chadbourne Ridge Road are impassable due to the heavy rain storm 2 weeks ago.

The Committee needs to do a lot of pre-planning for this project. If we need to hire an engineer for the day do we want Tom and/or committee member(s) with the engineer for the day?

The Committee received a donation of a walking stick.

The next meeting will be April 7, 2010 @ 6:00 PM.

Motion to adjourn @ 7:45 PM by Ron 2<sup>nd</sup> Jim approved 5-0.

Respectfully submitted,  
Nancy Roberge
