Projects:

Oak St. and Hemlock: At this time this project has not moved forward. At this time we are waiting on the stone crushing budget and the purchase order to order the supplies. Motion to add to the contingency plan to add a catch basin on the corner of Oak St. and Old Alfred Road by Scott 2nd by Jim and approved 4-0.

Mast Camp Road Bridge: This project has not moved forward at this time due to the stone crushing budget.
