Selectmen's Minutes

Present: Chmn. Andrew Woodsome, Jr., Robert Fay, Dennis Abbott,
Jean Chick, Glenn Bean, Sr.

Mr. & Mrs. Orr, Evergreen Dr. No. Waterboro, in to talk with the Selectmen concerning the dog owned by Linda Gagnon a neighbor that has been causing a disturbance for one and a half years, by barking during the night and and early morning. They also had Constable Ed Waterhouse attend this meeting in their behalf to let the Selectmen know that they had been complaining about this situation for sometime. They had called a State worker Mr. Betsole in on the case, the dog had been taken to Ida Mallory's Humane Society for a check up and had been found to be healthy and well feed. The dog always has water and food available to him, but the owner is out of Town weekends alot. Selectman Fay called the York County Sheriff's Dept. to issue a complaint on this stating that it would be known as a disturbing the peace complaint not a inhumane situation.

Glenn Bean: Rd. Commissioner Bean was informed by Selectman Fay that Fay had had a request for the Bagley Rd. to be repaired. New owners of Map 10 Lot 30B of Crabtree Acres Subdivision will be building in the Spring. They want a price for the road repair work and to know whether or not the Rd. Comm. plans to include this monies in his articles for road accounts or if they should submit an article. Rd. Comm. Bean suggested that they submit the article themselves at Annual Town Meeting in March. Bean reported that he would b e starting the Seal Coat work either the end of this week or the first of next week.
