

Council Meeting  
February 17, 1987

GENERAL DISCUSSION:

Chrm Andrew C Woodsome brought up the article that was in Saturday's edition of the Journal Tribune that concerned PATCH (Planned Approach to Community Health) and their interest in working in the Waterboro area.

Health Officer, Tim Nelson has spoken to the school nurses and they are interested in this program. He feels this is a good program and the town should be interested in it.

Chrm Woodsome, Jr said how interested in health issues he and the entire board are.

Their next meeting will be held at the Medical Center on 2/24/87.
