

SELECTMEN'S MEETING MINUTES
2/20/90

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Robert C. Fay, Dennis G. Abbott

REPORT OF STANDING COMMITTEES:

Dianne Holden came in to discuss with the Board a letter that she received from the IRS. In 1987 IRS sent a check back to the Town due to over payment and it was forwarded to the auditor and apparently nothing was done. She has now received a letter stating that the Town owes the IRS the amount that the check in 1987 was. The Board agrees with Dianne to send a letter to the auditor telling him to check into it and if there is any interest due then he is responsible to pay it.

Postmaster Judy Carll came in to discuss putting up block mailboxes in Lake Arrowhead. The Board agreed to allow it as long as the boxes are not in the Town's right of way.

NEW BUSINESS:

PEPPERCORN RESTAURANT: Sel. Abbott opened up the Public Hearing for issuance of a Malt & Vinous license. Mr. William Randel was in attendance along with Carmen De'Simone. Mr. Randel stated that he approves of a liquor license for the Peppercorn. Sel. Fay made the motion to reissue the Malt & Vinous license to the Peppercorn Restaurant. Voted-passed.

EDWARD LACOURSE: Mr. and Mrs. LaCourse came before the Board about having a street light on the Old Alfred Road at the end of their driveway installed. Sel. Fay explained that the Town has dropped back to do intersections. If one is put up for someone then there will be alot of requests. Sel. Abbott added that when the Town changes to sodium lights, there was a cut back on some and the policy is for only at the intersections of roads. Sel. Abbott does not feel that the Board can accommodate them due to it would be going against the policy. The Board will take a look at the Old Alfred Road in general and talk to CMP to see if they have any recommendations. Sel. Fay told Mr. & Mrs. LaCourse that the Board is in the middle of getting ready for Town Meeting and will get back to them with an answer by March 20th.

Board voted to enforce the junk yard laws. Tim Nelson will put an ad in the Budget Saver.

Board signed the warrant for payment of bills and payroll.

Board adjourned at this time to conduct this month's Council Meeting.

approved

The block contains two handwritten signatures. The first signature, written over a horizontal line, appears to be "Robt Fay". The second signature, written below the first, appears to be "Dennis G. Abbott".
