

C. M. Thornton

Mr. John Montieth
Selectmens' Office
Town Of Waterboro
Waterboro, Maine 04087

March 16, 1990

Dear Mr. Montieth:

Congratulations !!!!!!! on your successful bid for
Selectman. I am happy our vote helped.

On January 29, 1990 I wrote the Selectmen regarding the
unnecessary hassle the Code Enforcement Officer has put us
through, also I pointed out direct violations to the code
allowed by the Code Enforcement Officer. Enclosed is a copy
of my January 29, 1990 letter.

On January 30, 1990 I wrote the Code Enforcement
Officer's secretary requesting the Conditional Use Permit
she neglected to give me on January 26, 1990, which I paid
for.

As of this writing I have had no response to either
letter.

Now that you are on the board I would like you to
present these outstanding requests to the full board at your
next meeting for disposition and let me know the decision.

Thank you in advance.

Very truly yours,

C.M. Thornton
