

CHUCK & CLAIRE BINETTE: Mr. & Mrs. Binette came before the Board with concerns that they have over the boat launch. They own and run Brunetti's Restaurant. People are using their parking area for the restaurant to tie down their boats. Are using their docks to tie their boats up while they park their vehicles. They are afraid that someone will get hurt on their dock and they will get sued. The Board will talk to Parks & Rec. about having the signs moved. They also have concerns that someone will get run over. Kids are using the toilets and are coming out the door running and some time someone is going to get hit. Chm. Fay called Constable Chauncey Gerry and he will be at the boat launch helping directing vehicles until the situation can be straightened out.

The Board voted to hold a Special Town Meeting May 22nd at 7:00 p.m.

The Board approved of Van Foglio and George Abbott's proposal on doing the plumbing at the Taylor House.

The Board also approved to send the CEO and Deputy CEO to investigate Camp Laughing Loon buildings.

Board signed the warrant of payment of bills and payroll.

approved

Robert C. Fay
George Abbott
