

SELECTMEN'S OFFICE
Town of Waterboro

July 2, 1990

TO: Van Foglio & Tim Nelson

FROM: Bob Fay

Fill on Route 5 by lake, before the picnic area.

I understand they got state permit, forgot to get Town (didn't know).

Why a delay until end of July? Don't we usually just increase the cost of permits in these cases?

Please leave me an update.

Bob:

The area being filled in falls within 100 ft. of the water and therefore requires Planning Board approval. The next available appointment is July 26, 1990.

Tim Nelson
