

Selectmen's Meeting Minutes
7/10/90

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chm. Robert C. Fay, Dennis G. Abbott, John C. Monteith.

REPORT OF STANDING COMMITTEES:

Dianne Holden came before the Board to discuss with them a letter that she has received from the Attorney General's office concerning Lionel Belanger's excise tax. Dianne had received a call from Nancy Myers from Bureau of Taxation stating that she had received a call from Saco that Lionel Belanger has been over paying his excise taxes for the last four years. He originally paid the excise to Saco and when he did the reregistration in Waterboro, Waterboro went by what Saco had figured out. Nancy Myers suggested to Dianne that she was going to tell Saco to tell Lionel that the books are closed and he can't get reimbursed, and she wanted to check with Waterboro to see if that would be alright with them. The claim that has been filed states that Nancy Myers told him that Waterboro had closed their books and she was surprised by that answer. Dianne will contact Saco tomorrow and then she will call Nancy Myers to find out what is going on.

The Board discussed how the interviews for School Board have been going. Brenda Charland has decided to stay on the School Board. After much discussion the Board appointed Michael McAlevey to fill the vacancy on the School Board made by the resignation of Charlene Jacobsen.

Dwayne Morin will let the Board know by next Tuesday if he will be able to finish the books that he needs to read to take his test for assessing. Chm. Fay suggested that he take the refresher course and then take the test for assessing in the fall. Dwayne has also talked to Jim Hamilton about Straw Mill Brook Road, all he wants to know is how the \$2.00 figure came from. Dwayne will contact Mark Caldwell to contact Jim to let him know how the \$2.00 figure came from and to confirm that figure. Dwayne has finished the development grant for On-Time-Machining. The Public Hearing will be held on Tues. July 17th at 6:30 p.m.

NEW BUSINESS:

ZONING BOARD OF APPEALS: Chm. Millard Genthner came before the Board to ask a question. The Board was hearing a variance request tonight from Mabel Thibault the the posting of the Public Hearing was wrong so the Zoning Board couldn't act on the request and they will need to come back before them. The Board of Selectmen waived the Zoning Board of Appeals fee for Mabel Thibault to come back before the Zoning Board of Appeals.

The Board appointed Susan Rose to the Recycling & Composting Committee.

The Board signed the Warrant for payment of bills and payroll.
