APPOINTMENTS

7:30 p.m. - Dean Look read a letter from the CCRG in response to the letter read last week from Maura Krueger. Bob Fay stated that he would request to be on the agenda for July 5th so that he may respond to this letter. Paul Kussman felt that Mr. Fay should reconsider his rebuttal. This would only keep the divisiveness continuing. Brenda stated that if a citizen approaches the Selectmen and has something to say, the board will hear them. Bob Fay stated that the Selectmen's Meetings should not continue as they are going. Brenda stated that if they were open to one side will be open to both sides. Mike stated that there should not be a continuing dialogue during an official meeting. These discussions should take place in another arena. Offered to assist in bringing both sides together. Willis stated that if this continues they won't have enough time to conduct regular business.

7:45 p.m. - Chris Yohman addressed the board with regard to Old Buxton Road. Stated that it has been closed off with rocks and Mr. Jalbert has a boat in the middle of the road. Also stated that Mr. Jalbert has paved a driveway across this road. Brenda stated that this is an abandoned not a discontinued road. Referred to a letter from 1997 to the Yohman's which stated that the town has no authority to get involved in this and that it is a civil matter. Will go to MMA for a ruling and bring this back. Continued until the meeting of July 5th.

8:00 p.m. - Municipal Building Committee presented their recommendation for the award of the Fire Station Bid. Recommended that the bids from Patco and D.R. Hubbard be rejected as they are too high and that the bid from Flynn-Z be rejected as it is incomplete. Reported that they have spent \$16,700 on Sebago Tech and \$2,000 to the architect. Have a balance of \$481,500 to build the Fire Station. They have no funds for a clerk of the works.

Willis stated that he has spoken with the CEO and he could do this. Steve stated that the CEO could help but they need someone who would be available at any time. Recommendation is that the bid be awarded to Jophil and Associates for \$478,778.
