

## **SELECTMEN'S MEETING MINUTES**

### **September 5, 2000**

**PRESENT:** Willis Lord, Brenda Charland, Pam Witman, Scott Morelli, Wendy Carter, Tim Neil, Elaine Pellerin, Diane Winne, Paul Cessari, Guy Litalien, Bob Gobeil, Denise Waterhouse, Teresa Lowell, Diane Herrle, Rusty Lowell, Pat McHugh, Paul Kussman, Charlie Brown, Sebago Tech. and Bob Fay.

Willis opened meeting at 7:05 p.m.

Motion by Brenda to accept the minutes of 8/29 as written. Seconded by Willis. Vote 2-0.

### **APPOINTMENTS**

7:00 p.m. – Elaine Pellerin requested testing of the lake. Feels that it is very negligent to not do anything. Guy Litalien stated that he would prefer to do more research and work with Roy Bouchard of the DEP. Elaine stated that baseline testing should be done and it should be done in coves not in the open water. Did not feel it would be wasted money and requested that testing also be done for bacteria. Brenda questioned if other towns have a testing program. Guy reported that most towns do the same testing as we do. Roy Bouchard recommends not doing this testing. The problem currently is phosphorus and that needs to be controlled. Even if you get the results then what do you do with this information. Discussed water levels. Discussed surface water use ordinance. Willis stated that if they are going to do long term testing then they need to get prices and have a warrant article at town meeting. Agreed with what DEP stated. Brenda agreed it should be on the warrant and Scott recommended forming a committee to investigate this issue.

7:15 p.m. – Charlie Brown of Sebago Tech presented an amend proposal for Engineering and Permitting Services at the Municipal Pit located on the Bennett Hill Rd. See attached. Motion by Brenda to accept the amended proposal for engineering and permitting services of the Municipal pit on Bennett Hill Rd. Seconded by Willis. Vote 2-0. Diane Herrle questioned how close the pit will be from the stream and Charlie stated that it will be 500' and they will take every precaution.

### **ANNOUNCEMENTS**

Announced the Senior Citizens Dining Center located at the snowmobile club. Will be the 2<sup>nd</sup> Thursday of every month and will include lunch, guest speaker and fun. Cost is minimal.

### **NEW BUSINESS**

1. Discussed naming the transfer station in memory of Millard Genthner. Brenda spoke with his family and they would prefer having the ball field named after him. Will table discussion for now. Bob Gobeil stated his concern that nothing will happen for years and by then will be forgotten. Brenda agreed that this is a major concern of hers also.
2. Discussed the cardboard receptacle and how it is very slippery when wet. A couple of citizens have fallen. Brenda questioned placing a rubber mat or something in there. Discussed a different type of receptacle where you don't have to enter to deposit. Discussed a compactor. Questioned coating the floor. Scott to check with RWS and report back next week. Bob Gobeil stated that Shop N Save has a compactor.
