APPOINTMENTS

Edie Hutchinson presented a list of cemeteries and who is responsible for them. Requested a petty cash account of \$100-\$150 to purchase things such as gas, and small supplies. Motion by Willis and seconded by Doug to allow the Cemetery Committee a \$100 petty cash account to be renewable. Vote 3-0-0. Edie also requested to increase the pay for Alan Roberts to \$9.00 per hour. Doug felt they should also give him a stipend for the his use of his personal mower. Motion by Doug and seconded by Willis to increase his pay to \$9.00 per hour plus a \$110 stipend. Vote 3-0-0.

NEW BUSINESS

1. Motion by Doug that because the property owner on Blueberry Road did not place the tires on his property that we send the Road Commissioner over to pick them up. Felt that these instances need to be looked at on a case by case basis. Discussing each instance will, hopefully, raise public awareness to the problem. Bob questioned if there is money to do this. Motion by Doug that the town clean up the tires in question on Blueberry Road, that we notify the land owner that we will do this as a one time clean up because he has notified us that debris, tires, were dumped there without his permission and it is the property owners responsibility to block further access. Doug to look into some of the more serious areas of town and estimate cost to clean up. Will report back in two weeks. Paul Kussman suggested requiring the home owner to file a complaint before the town cleans it up. Nancy to find out from the Sheriff and State Police how to handle this. Discussed people leaving trash in front of the gate at the Transfer Station. Will request that the Sheriff's Dept. and State Police attend the workshop next week to discuss this issue as well as ATV's.
2. Motion by Willis and seconded by Doug to appoint Cindy Gilmore as Tax Collector. Vote 3-0-0.
3. Motion by Doug and seconded by Willis to accept the resignation of Don Macomber and to advertise the position. Willis requested that a letter be sent thanking him for his services. Vote 3-0-0.
