

# Town of Waterboro

## Election alert to all Waterboro Citizens

September 4, 2018

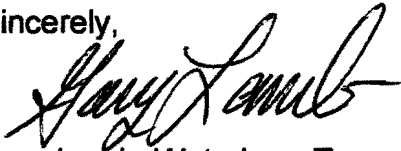

This note is to inform you that voting on November 6, 2018 will be returning to Town Hall at 24 Townhouse Road. We will not be using Massabesic East in the future as a polling place as long as that building is occupied by students during the day.

The reason for this change is our RSU 57 School Board and Superintendent feel that voting during school hours is an increased security risk. Apparently we are the only town in our six town RSU that uses a school building for voting during school hours.

The Town of Waterboro appreciates the cooperation we continue to have with the School Department for a variety of building uses. If high school students should ever be moved entirely into the High School building, perhaps Massabesic East could once again be used as a polling place. For now, please plan on voting November 6<sup>th</sup> at Waterboro Town Hall. Parking will be a challenge that day so we strongly consider absentee voting starting October 9 through November 1. If you do vote on November 6<sup>th</sup>, please try and vote in person before the 5pm after-work rush. The polls on November 6<sup>th</sup> open at 7am and close at 8pm.

Thank you and please do not hesitate to call with any questions (247-6166, ext. 100).

Sincerely,

Gary Lamb, Waterboro Town Administrator
