Selectmen.

TAX LIEN SITUATION

In accordance with the vote taken at March meeting, 1942, notices of the action of the town regarding matured tax liens were mailed to all delinquent in this manner. An examination of the Treasurer's report will disclose that many of these delinquent taxes were paid. In December, 1942, we consulted with Hon. Hiram Willard, of Sanford, regarding the matter and he has our authority to proceed in any way he deems advisable to collect all sums now due the town because of these non-payment of taxes.

Respectfully submitted,

CHARLES W. JOHNSON,
WILBUR M. MESERVE,
ROY C. STETSON,
Selectmen of Waterboro, Maine.

TOWN OF WATERBORO

TREASURER'S REPORT

CAROLINE LEONARD FUNDS

The condition of the above named deposits remain as last year, with the exception that there is interest to be added to each account—the books not having been presented to the Biddeford Savings Bank during the year for that purpose. There is yet an unpaid bill of $3.00, as previously stated.

TREASURER'S STATEMENT

Herewith is presented the Treasurer and Collector's report of finances for the year 1942 and is subject to the approval of the State Auditor's Department.

The financial condition of the town continues to be excellent. It will be noted that there have been large collections of taxes delinquent at the time of the last annual statement. This accounts, in part, for the large amount of cash on hand, namely, $4,471.25.

Outstanding at this time are 17 bonds of the town of Waterboro of the value of $1,000.00 each. These are of the issue of November 1, 1936, when the debt of the town was refinanced at the rate of 3¾% and all of our then obligations were retired, practically every one of them bearing interest at the rate of 6%. At that time, we borrowed $29,000.00 and this has been reduced in annual payments in the amount of $2,000.00 and interest each year. Our present indebtedness is, therefore, $17,000.00, and this constitutes our entire indebtedness, since there are no outstanding bills unpaid.

I take this occasion to extend my heartfelt thanks to the great number of my friends in Waterboro who have supported me so loyally for more than two decades.

Respectfully submitted,

ERNEST G. KNIGHTS,
Treasurer and Collector.

STATE AUDITOR'S REPORT

To the Inhabitants of the Town of Waterboro:

In accordance with the request of your municipal officers, this department, represented by M. W. Bragdon, has completed an examination of the accounts of your town officials for the municipal year ended February 1, 1942.

Our report, herewith submitted, was prepared

from your town records and, to the best of our knowledge and belief, properly reflects the true financial condition of your municipality as of that date; subject, however, to a probable shrinkage in the final settlement of unpaid taxes and tax liens back to 1937, and to a larger per cent. of shrinkage for unpaid taxes, tax liens and deeds for 1936 and prior years.

Respectfully submitted,

STATE DEPARTMENT OF AUDIT
HAROLD E. CRAWFORD,
Municipal Auditor.

July 6, 1942.

COMMENTS

Cash

All cash recorded as received was found to be accounted for as summarized on Exhibit B.

Expenditures were made from properly authorized warrants and each item on all warrants was compared with the checks drawn. At the time of the audit, the following checks had not gone through the bank:

No. 352	Samuel Drown	$5 60
No. 420	Harry Gammon	5 60
No. 495	Herbert Andrews	1 90
No. 715	Leslie Goodwin	6 80
No. 838	E. S. Carl	1 30
No. 1037	H. C. Andrews	6 46

Checks numbered 395, 396, 397 and 399, totaling $3.85, for fire fighting, the Treasurer was unable to deliver and were credited back to the town in 1942.

Inasmuch as it was found to be impractical to attempt to verify the cash balance as of February 1st, a new account was opened in the bank by depositing the amount of cash as shown by the cash balance. The old account will be held open to take care of any other

checks that may come in and any necessary adjustments will be made later.

Taxes

The 1941 tax commitment was added and found to agree with the Assessors' records. The total commitment was accounted for by cash and abatements, or was still unpaid as shown by Schedule 2.

The unpaid balances on prior years' taxes were checked for payments and those still unpaid, according to the records, back to and including 1937, are also shown by Schedule 2.

Taxes, tax liens and deeds prior to 1937 are shown in one account and amount to nearly $4,000.00. It is probable that a list could be compiled covering the various years, but it would necessitate the expenditure of considerable time and money. It is our suggestion, however, that this account be analyzed in the near future and a mail verification made to determine the collectibility of these taxes.

The excise tax was checked and, according to the receipts, all cash had been properly deposited with the Treasurer as shown by Schedule 7. However, these receipts cover only the 1941 excise tax collections. The 1942 excise tax money received by the Collector up to the close of the 1941 fiscal year was not turned over to the Treasurer until after the town books were closed for the current year and this seems to have been the custom in your town, however, all monies received should be paid over to the Treasurer by the time the fiscal year closes.

Tax Liens

All tax liens back to and including 1937 were checked and those still unpaid, according to your town records, are shown by Schedule 3.

TOWN OF WATERBORO

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens and to the Superintending School Committee:

I submit for your consideration the annual report of the schools of Waterboro.

Of the 260 young people in Waterboro between the ages of five and twenty-one, 158 are registered in the several elementary schools of the town. The registration and classification of secondary pupils will be found in the high school principal's report. Elementary pupils are classified as follows:

Waterboro Village—Grammar 38, Intermediate 34, Primary 30; East Waterboro—Intermediate 14, Primary 25; North Waterboro—Sub-Primary-Grade 5, 17.

Due to lack of teachers trained and certified for junior high school work, it was necessary, early in the fall, to change from a six-year to a four-year high school organization. Mr. Burt A. Whitehouse, who had been engaged as junior high school teacher at the beginning of the school year, was called into military service. At his resignation Mrs. Bernice Fields was elected to teach Grades 7 and 8.

This town has been especially fortunate in being able to secure and retain the services of trained and experienced teachers. The shortage of teachers throughout the nation became apparent more than a year ago, and there are definite indications that the situaton will continue to grow worse. Maine has suffered more

than many other sections of the country in this respect, because of its generally low salary schedule.

During last year about 1,000 Maine teachers lef for military service or for better paying positions elsewhere. A recent bulletin of the Maine Teachers' Association makes the following statement regarding salaries of Maine teachers, "During the past year over one-fourth of the teachers in the state received less than $750 a year or less than $15 a week for the 52 weeks the teacher eats. Remember, too, that a teacher must spend from two to four years in preparation and must rather frequently attend summer school. Many business establishments pay more and require less."

The present legislature is now considering a bi'l to establish a minimum salary of $720. This bill would give the towns $190 per teaching position rather than the present $100 in the apportionment of the State School Fund. The bulletin already quoted says in this connection, "Equality of opportunity of education is one of the goals of American Democracy which we can and should more nearly achieve. If towns cannot furnish reasonably good education for their children, the State should help to see to it that eve y youngster has his chance. This is America at he" best."

In regard to Maine's ability to support education, statistics show that in wealth Maine stands 23rd amo g the states, in appropriations for education, 39th. Moreover, state funds are declining. The years 1932-1942 show a decline of $463,000. To make matters worse, running expenses are unavoidably higher. This con dition explains, in part, the necessity, in recent years, of asking for increased appropriations from the town.

Fully as serious as the teacher shortage is the matter of transportation of pupils. We are faced with the fact that transportation equipment now in use must last "for the duration." Tires and gas do not present the only difficulty. It is not only impossible to procure new buses but the procurement of repair parts is becoming increasingly difficult. According to a recent authentic statement, since July 1, 1942, 27 new school buses have been released. The State of Maine received one of these.

In view of these facts, the Office of Defense Transportation has made it mandatory that all possible curtailment of school bus mileage be put into effect. Otherwise we might be faced ultimately with a complete breaking down of transportation facilities. It thus becomes necessary for some pupils to walk a part or whole of the distance to school. We have endeavored to meet these conditions with a minimum of hardship for the children involved.

During the year the schools have been required to assume many new duties imposed by the war. The matter of rationing is but one of these. I should be neglecting an obligation, if I did not before closing, express my keen appreciation not only to the teachers and the School Board, but to citizens who have generously given of their time and effort in this and other matters.

Respectfully submitted,

MAYNARD E. WRIGHT,
Superintendent of Schools

TOWN OF WATERBORO

PRINCIPAL'S REPORT

To the Superintendent and the Superintending School Committee:

I submit, for your consideration, my annual report of Waterboro High School.

Registration by classes

	Girls	Boys	Total
Seniors	4	5	9
Juniors	6	3	9
Sophomores	6	1	7
Freshmen	3	8	11
Total	19	17	36

Nine boys and girls have left school to go to work. Two of these boys are planning to join the Armed Services.

At the request of the War Department and with the approval of the State Department of Education, we have introduced a course in Physical Fitness, for both girls and boys. It has been received with enthusiasm.

I wish to thank all who have aided in making our year a success.

Respectfully submitted,

SEWALL M. DRISKO,
Principal, Waterboro
High School

REPORT OF THE SUPERVISOR OF MUSIC

To the Superintendent of Schools, School Board, and Citizens of Waterboro:

I herewith submit the following report of school music.

This last year has shown marked improvement in tonality, theory, and reading music throughout the grades.

Mrs. Field in junior high is doing excellent work with the class, giving special attention to syllable reading daily, and has given "True or False" tests on theory with very satisfactory results. Similar tests are given in all the schools which show careful study and training by both teachers and pupils.

The high school music club has been unable by reason of illness and other interruptions to carry out all their plans, but are anxious to assist war efforts in some practical way.

If any one has any spare victrola records the club would be very grateful for them to send to some U. S O. amusement center, or to sell and invest the money in War Savings Stamps. Please notify the club president, Avis Hughey, if you wish to contribute any.

The high school chorus sang at graduation, but has made no public appearances this year as nearly all extra-curricular events have been cancelled owing to restrictions on transportation.

I wish to express my appreciation to Mrs. Nathalie Hobbs for the work as accompanist for the weekly high school music period, and to Miss Edith Abbott for accompanying the East Waterboro school.

In this chaos of war time madness we need music more and more as a stabilizer and morale builder. As one music educator says "The names of Bach, Mozart, Beethoven, and Brahms will still be remembered long after those of Hitler, Mussolini, and Hirohito are forgotten."

To you all, and the entire teaching force, I extend my sincere thanks for your splendid cooperation throughout the school year.

Respectfully submitted,

HELEN M. DOLLEY,
Music Supervisor.

February 19, 1943.

REPORT OF PUBLIC HEALTH NURSE

To the Citizens of the Town of Waterboro:

I hereby submit my annual report as public health nurse for the year beginning January 1, 1942, and ending December 31, 1942.

In January an evening class in First Aid was begun with sixty-two women enrolled. Forty-three of these completed the course of instructions and received their certificates.

An afternoon class in First Aid for high school pupils was begun in April but not completed because of apparent lack of interest.

During the month of April, designated as Early Diagnosis Campaign for tuberculosis month, the film "Another to Conquer" was shown to the high school

and junior high school pupils. Tuberculosis posters and pamphlets were distributed in the schools and throughout the town. The Tuberculin patch Test was applied to fourteen high school pupils. One reacto was found, and arrangements made for a chest X-r to be taken at a clinic in Saco. Visits were made to the home of another school child, found suspicious o tuberculosis by previous X-ray, to urge attending the clinic for recheck, but it was learned he was out of town for the summer.

Other follow-up calls were made to these patients during the year, to report on previous chest X-rays and to urge attendance at clinic in Sanford in January for re-check by X-ray.

Home visits have been made during the summer months and following health inspections at the schools. Aid or advice was given the parents regarding the correction of defects found. Visits were made to children reported by the teachers as ill in their homes. One child, complaining of toothache, was taken to a dentist for necessary extractions.

The following is a report of the health inspections as completed in all schools for the year:

Total pupils inspected	145
Pupils found with defects	5
Defects found:	
Evidence of pediculosis	3
Teeth	43
Unclean teeth	10
Vision	8
Eyes	1
Hearing	1
Throat	10

Corrections made during year:

Vision	4
Teeth	37
Throat	6

The importance of good health has never been greater than at the present time. May I urge that we strive for a higher standard of health by the correction of those defects that may hamper the progress of the child in school, and by taking preventive measures to protect them against contagious diseases.

Respectfully submitted,

York County Health Service,
By OLIVE TWICHELL, R. N.,
Public Health Nurse.

TOWN OF WATERBORO

WARRANT

STATE OF MAINE,
County of York, ss:

To ARTHUR W. BRACKETT, a CONSTABLE OF WATERBORO, in the County of York and State of Maine—GREETINGS:

IN THE NAME OF THE STATE OF MAINE, you are hereby commanded to notify and warn the Inhabitants of Waterboro, Maine, qualified to vote according to law, to assemble at the town house in said town on Monday, March 8th, 1943, at 10 o'clock in the forenoon, war saving time, then and there to act on the following articles, to wit:

First: To choose a Moderator to preside at said meeting.

Second: To elect all necessary town officers for the year ensuing.

Third: To see what sums of money the town will grant and raise for Roads and Bridges for the year ensuing.

Fourth: To see what sum of money the town will grant and raise for winter roads.

Fifth: To see what sum of money the town will grant and raise for State Road Patrol.

Sixth: To see what sum of money the town will grant and raise for the support of a Free High School. for the year ensuing, including transportation and money, already spent for same.

Seventh: To see what sums of money the town will grant and raise for the support of Common Schools for the year ensuing.

Eighth: To see what sum of money the town will grant and raise for Text Books and Supplies for the year ensuing.

Ninth: To see what sum of money the town will grant and raise for the Repair of School Buildings for the year ensuing.

Tenth: To see what sum of money the town will grant and raise for the Salary of the District Superintendent for the year ensuing.

Eleventh: To see what sum of money the town will grant and raise for Public Health Nurse.

Twelfth: To see what sum of money the town will grant and raise for the Support of Poor for the year ensuing.

Thirteenth: To see what sum the town will grant and raise for Incidentals for the year ensuing.

Fourteenth: To see what sum the town will grant and raise for State Tax for the year ensuing.

Fifteenth: To see what sum the town will grant and raise for County Tax for the year ensuing.

Sixteenth: To see what sum the town will grant and raise for 50-50 Road Machine Work.

Seventeenth: To see what sum of money the town will grant and raise for Interest on Town Bonds for the year ensuing.

Eighteenth: To see what sum of money the town will grant and raise for the retirement of two Town

Bonds for the year 1943.

Nineteenth: To see what sum of money the town will grant and raise for Observance of Memorial Day for the year 1943.

Twentieth: To see what sum the town will grant and raise for Interest on Tax Anticipation notes for the year ensuing.

Twenty-first: To see what action the town will take regarding the town farm for the year ensuing.

Twenty-second: To see if the town will vote to grant authority to the Selectmen and Treasurer to borrow money on the credit of said town to pay current bills, now due or to become due during the fiscal year of 1943, and to sign notes of said town for the repayment thereof prior to March 1, 1944.

Twenty-third: To see if the town will authorize the Collector of Taxes to charge interest at the rate of one-half per cent. per month on all taxes unpaid October 1, 1943, interest to begin September 1, 1943.

Twenty-fourth: To see what sum of money the town will grant and raise for the cutting of bushes on Improved Roads during the year 1943, and to see what method the town will adopt in the cutting of the same.

Twenty-fifth: To see what sum of money the town will grant and raise for the cutting of bushes on Unimproved Roads for the year 1943, and to see what method the town will adopt in cutting the same.

Twenty-sixth: To see what sum of money the town will grant and raise for the Maintenance of Third Class Roads for the year 1943.

Twenty-seventh: To see what sum of money the town will grant and raise for the continuation of the present street lighting system.

Twenty-eighth: To see if the town will instruct the Selectmen to cause Warrants to be issued against all persons who fail to pay their dog taxes prior to May 15, 1943, after giving such delinquents ten days' notice that complaints would be made under the provisions of Section 161, Chapter 5, of the Laws of the State of Maine.

Twenty-ninth: To see if the town will grant and raise a sum of money for the use of the Waterboro Fire Department and if so, how much.

Thirtieth: To see if the town will grant and raise the sum of twenty-four dollars to reimburse William E. Stearns for taxes paid in the years 1940 and 1941 on real estate owned by Orin Chapman, the said Chapman having paid taxes for both years on the same property.

Thirty-first: To transact any other business that may lawfully come before said Meeting.

The Selectmen hereby give notice that for the purpose of correcting the list of voters, eligible to vote at said meeting, they will be in session at the TOWN HOUSE on the FOURTH, FIFTH and SIXTH days of March, 1943, in the afternoons of said days.

The Selectmen hereby give public notice that the polls, for the election of all town officers under Article 2 of this Warrant, will be opened fifteen minutes after the completion of business under all articles in this Warrant, and remain open at least four hours, and

close not earlier than 7 o'clock P. M., Eastern War Time.

WITNESS: Our hands at Waterboro, aforesaid, this twenty-sixth day of February, A. D., 1943.

CHARLES W. JOHNSON,
WILBUR M. MESERVE,

Selectmen of Waterboro, Maine.

A true Copy,

ATTEST:

ARTHUR W. BRACKETT,
Constable of Waterboro, Maine.

"THE BEST SELLER"

Or book of any season is the Bank Book.

Its contents hold the interest.

Issuing Agents for United States War Bonds

Saco and Biddeford Savings Institution

The Oldest Mutual Savings Bank in Maine

Edgar H. Minot, Pres. William L. Walker, Treas.

Incorporated 1827

This Bank is not too large to give considerate attention to the little things that mean much to the welfare of depositors.

It is not too large to lend its support to the depositor whose dealings are small, but none the less important to him.

Its organization is such that all who bring their business here are assured of courteous treatment and appreciative attention.
